

ARDMORE AERODROME NZAR

Operator: Ardmore Airport Ltd

Date: _____

Aerodrome Data

| | | |
|----------------------------|----------------------------|---|
| <input type="checkbox"/> Y | <input type="checkbox"/> N | Operator name, address and contact |
| <input type="checkbox"/> Y | <input type="checkbox"/> N | Lighting correctly described |
| <input type="checkbox"/> Y | <input type="checkbox"/> N | Facilities correctly described |
| <input type="checkbox"/> Y | <input type="checkbox"/> N | Declared distances correct |
| <input type="checkbox"/> Y | <input type="checkbox"/> N | Nominated person familiar with criteria |
| <input type="checkbox"/> Y | <input type="checkbox"/> N | Data confirmed annually |

Aerodrome Plate

| | | |
|----------------------------|----------------------------|---|
| <input type="checkbox"/> Y | <input type="checkbox"/> N | Windssocks shown correctly |
| <input type="checkbox"/> Y | <input type="checkbox"/> N | Runways and strips depicted correctly |
| <input type="checkbox"/> Y | <input type="checkbox"/> N | Taxiways shown |
| <input type="checkbox"/> Y | <input type="checkbox"/> N | Facilities identified (a/c parking etc) |
| <input type="checkbox"/> Y | <input type="checkbox"/> N | Reference point coordinates correct |

Runway

| | | |
|----------------------------|----------------------------|--|
| <input type="checkbox"/> Y | <input type="checkbox"/> N | Width |
| <input type="checkbox"/> Y | <input type="checkbox"/> N | Starter Extension |
| <input type="checkbox"/> Y | <input type="checkbox"/> N | Sufficient strength, no surface irregularities |
| <input type="checkbox"/> Y | <input type="checkbox"/> N | Longitudinal and Transverse Slope |
| <input type="checkbox"/> Y | <input type="checkbox"/> N | Line of sight over half runway length |
| <input type="checkbox"/> Y | <input type="checkbox"/> N | Grass length <100 mm |
| <input type="checkbox"/> Y | <input type="checkbox"/> N | Free of loose chip, cracks, weed growth |
| <input type="checkbox"/> Y | <input type="checkbox"/> N | Edge of runway defined (mowing, markers) |

Strip

| | | |
|----------------------------|----------------------------|---|
| <input type="checkbox"/> Y | <input type="checkbox"/> N | Width |
| <input type="checkbox"/> Y | <input type="checkbox"/> N | Distance from runway end |
| <input type="checkbox"/> Y | <input type="checkbox"/> N | Sufficient strength, no irregularities, ditches |
| <input type="checkbox"/> Y | <input type="checkbox"/> N | Grass length <800 mm |
| <input type="checkbox"/> Y | <input type="checkbox"/> N | Free of fixed obstructions |
| <input type="checkbox"/> Y | <input type="checkbox"/> N | Edge of strip defined (fences or markers) |

| | | | | | |
|----------------------------|----------------------------|----------------|----------------------------|----------------------------|----------------|
| <input type="checkbox"/> Y | <input type="checkbox"/> N | Acceptable | <input type="checkbox"/> Y | <input type="checkbox"/> N | Not acceptable |
| <input type="checkbox"/> Y | <input type="checkbox"/> N | Not applicable | | | |

Taxiways

| | | |
|----------------------------|----------------------------|--|
| <input type="checkbox"/> Y | <input type="checkbox"/> N | Width with edges defined |
| <input type="checkbox"/> Y | <input type="checkbox"/> N | Surface without irregularities |
| <input type="checkbox"/> Y | <input type="checkbox"/> N | Holding points clear of r/w strip edge |

Runway/Taxiway Markings

| | | |
|----------------------------|----------------------------|--|
| <input type="checkbox"/> Y | <input type="checkbox"/> N | Runway painted white in good |
| <input type="checkbox"/> Y | <input type="checkbox"/> N | Centre line (R/W 18m or wider) |
| <input type="checkbox"/> Y | <input type="checkbox"/> N | Threshold/designators/centerline correct |
| <input type="checkbox"/> Y | <input type="checkbox"/> N | Displaced threshold marked |
| <input type="checkbox"/> Y | <input type="checkbox"/> N | Taxiway markings yellow in good |
| <input type="checkbox"/> Y | <input type="checkbox"/> N | Apron markings yellow in good |

Markers

| | | |
|----------------------------|----------------------------|--|
| <input type="checkbox"/> Y | <input type="checkbox"/> N | In good condition, lightweight and |
| <input type="checkbox"/> Y | <input type="checkbox"/> N | Free of vegetation and clearly visible |
| <input type="checkbox"/> Y | <input type="checkbox"/> N | Displaced threshold marked |

General

| | | |
|----------------------------|----------------------------|--|
| <input type="checkbox"/> Y | <input type="checkbox"/> N | Perimeter fences in good condition |
| <input type="checkbox"/> Y | <input type="checkbox"/> N | Public access restrictions |
| <input type="checkbox"/> Y | <input type="checkbox"/> N | 1 windssock day, 2 night or inst >800m |
| <input type="checkbox"/> Y | <input type="checkbox"/> N | Apron area clear of strip |

Lighting

| | | |
|----------------------------|----------------------------|--|
| <input type="checkbox"/> Y | <input type="checkbox"/> N | All lights working |
| <input type="checkbox"/> Y | <input type="checkbox"/> N | Runway edge white, end red, thresholds |
| <input type="checkbox"/> Y | <input type="checkbox"/> N | Displaced threshold wing bars |
| <input type="checkbox"/> Y | <input type="checkbox"/> N | Taxiway edge blue/centerline green |
| <input type="checkbox"/> Y | <input type="checkbox"/> N | All lights clear of vegetation |
| <input type="checkbox"/> Y | <input type="checkbox"/> N | Windssock lit |

Obstacle surfaces

| | | |
|----------------------------|----------------------------|--------------------------------------|
| <input type="checkbox"/> Y | <input type="checkbox"/> N | Obstruction free 1:20 day, 1:40 |
| <input type="checkbox"/> Y | <input type="checkbox"/> N | Checked annually |
| <input type="checkbox"/> Y | <input type="checkbox"/> N | Side surfaces 1:4 to 2m (1:5 to 10m) |
| <input type="checkbox"/> Y | <input type="checkbox"/> N | Obstacles marked and/or lit |
